(RAILWAY BOARD)

No. 95/H/6-1/17

New Delhi. dated 21.6.95

The General Managers
All Indian Railways including
Production Units.

Sub: Outdoor medical treatment and attendance
facilities to wives and dependent children
of Licenced Porters.

...

As per extant instructions laid down in para 618(1) of IRMM-01 Edition, licenced porters are eligible for free outdoor medical treatment for self only at Railway Hospitals & Health Units. However, charges are leviable for routine laboratory and simple X-Ray examination.

2. Ministry of Railways, after careful examination of the matter, have decided that medical facilities as available to the licenced porters in terms of above mentioned para of IRMM will henceforth be made available to their wives and dependent children as well subject to the following conditions:-

- bearing his
Photograph
duly
attested
- A) Every bonafide licensed porter should be issued a Medical Identity Card by the competent authority engaging them. This card should mention the names of his wife and dependent children who are the bonafide beneficiaries. The same should preferably be affixed with the photographs (duly attested) of the entitled persons and the card should have clear indication of "Valid for OPD treatment only".
 - B) Every licensed porter on the termination of his services or on transfer of his License, must surrender his medical card to the competent authority before he is relieved. Utmost care is required to be taken to avoid fraudulent use of the card by any unauthorised person.
 - C) Any licensed porter, if found, to be indulging in the fraudulent use of this medical card, must be given deterrent punishment/cancellation of his license.
