Representations dated 28.05.2025, addressed to the Hon'ble Home Minister of India and Hon'ble Minister for Railways, have been received from Shri Mangat Ram Saini, National President, Akhil Bhartiya Railway Mazdoor Sangthan. The representations seek the extension of the Old Pension Scheme (OPS) to specific categories of railway employees who were previously engaged in different capacities and later absorbed into regular railway service.

The representation specifically highlights the following categories for coverage under the OPS:-

1. Sahayaks who were within the age group of 18 to 50 years as on 26.02.2008 and were considered for appointment as Gangman in accordance with the instructions contained in Director/E(N)-II's letter no. E(NG)II/2008/RR-3/1 dated 01.04.2008 (copy enclosed), subject to fulfillment of the prescribed conditions; and
2. Ex-servicemen from the Ministry of Defence (MoD) who were subsequently appointed in various positions in Indian Railways.

As the matter concerns the applicability of pensionary benefits under the OPS to railway employees, the case was duly referred to the Finance Directorate for examination on 20.06.2025. However, the Finance Directorate returned the case, stating that it primarily pertains to Sahayaks.

However, given that the core issue relates to the extension of pensionary benefits to the absorbed categories of railway employees, it is proposed to resubmit the case to the Finance Directorate for re-examination and further necessary action.

Submitted for approval please.

The monthly contribution would be 10 percent of the salary and DA to be paid by the employee and matched by the Central Government. However, there will be no contribution from the Government in respect of individuals who are not Government employees. The contributions and investment returns would be deposited in a non-withdrawable pension tier-I account. The existing provisions of defined benefit pension and GPF would not be available to the new recruits in the central Government service.
- (ii) In addition to the above pension account, each individual may also have a voluntary tier-II withdrawable account at his option. This option is given as GPF will be withdrawn for new recruits in Central Government service. Government will make no contribution into this account. These assets would be managed through exactly the above procedures. However, the employee would be free to withdraw part or all of the 'second tier' of his money anytime. This withdrawable account does not constitute pension investment, and would attract no special tax treatment.
- (iii) Individuals can normally exit at or after age 60 years for tier -I of the pension system. At exit the individual would be mandatorily required to invest 40 percent of pension wealth to purchase an annuity (from an IRDA-regulated life insurance company). In case of Government employees the annuity should provide for pension for the lifetime of the employee and his dependent parents and his spouse at the time of retirement. The individual would receive a lump-sum of the remaining pension wealth, which he would be free to utilise in any manner. Individuals would have the flexibility to leave the pension system prior to age 60. However, in this case, the mandatory annuitisation would be 80% of the pension wealth.

### **Architecture of the New Pension System**

- (iv) It will have a central record keeping and accounting (CRA) infrastructure, several pension fund managers (PFMs) to offer three categories of schemes viz. option A, B and C.
  - (v) The participating entities (PFMs and CRA) would give out easily understood information about past performance, so that the individual would able to make informed choices about which scheme to choose.
2. The effective date for operationalisation of the new pension system shall be from 1<sup>st</sup> of January, 2004.
